Caddo Community School

In Memoriam

Charles Orlin Hicks left with us, the student body of Caddo Community School, his warm smile and radiant personality.

Consideration, sincerity, kindness, and a light-heartedness that seemed to brighten every day were a few of the qualities that made Charles a natural leader. As the president of the first graduating class of C.C.S. during the year 1970-71, he was always ready and willing to help others help themselves.

Thinking of Charles gives us a feeling of gratitude, and we are thankful that one person can leave this world a little better than it was before.

WITH LOVE and GRATITUDE
to
Mrs. Evelyn Boyett,

retiring assistant principal
and librarian of C. C. S.

Since its inception in
1969, she has been counselor,
teacher, friend, guide, and,
yes, disciplinarian to our
school. Wherever there was
a need for her unfailing wisdom
and experience, Mrs. Boyett
was there ...

both at work ...

and at play ...

We will miss you!

SENIOR CLASS WILL

Jean Adams-I will my truck to Tracy Dial, the horse I never bought to Tricia Sargent, my soft voice to Lynna Rea Sargent, my Basketball shoes to Debbie Bradford, my typing ability to Betty Belk, and the spirit to win to the basketball team.

Debbie Bain-I will my ability to dance to Val Chandler, because he needs it! My ability to get along with Mrs. Bryant to Cathy Chiles & Dana Hicks and my Airborne T-shirt and Stanley to JoAnn Garren. (Have to keep it in the family)

Jennie Dickerson-I will my dedicated basketball to Joy, Sissy and Sarah; my ability to rebound basketballs to Alice; my height to Betty Belk, and my converse tennis shoes to Lisa Dominick.

Jerry French-I will my style of playing basketball to David Lawton; my intelligence to Johnny Martin, because he needs it; my way of bothering Mrs. Johnson and never getting caught to Jerry Belk, because he is always in trouble.

Douglas Herring-I will my tennis shoes to anybody stupid enough to wear them; and my parking spot to Debbie Bradford, in hope that she will never come close enough to run over me while I am on the road.

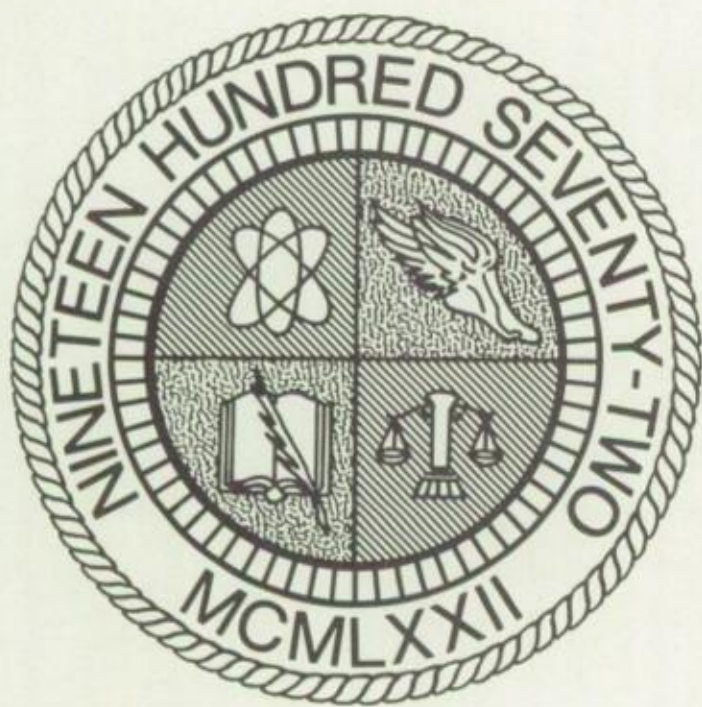

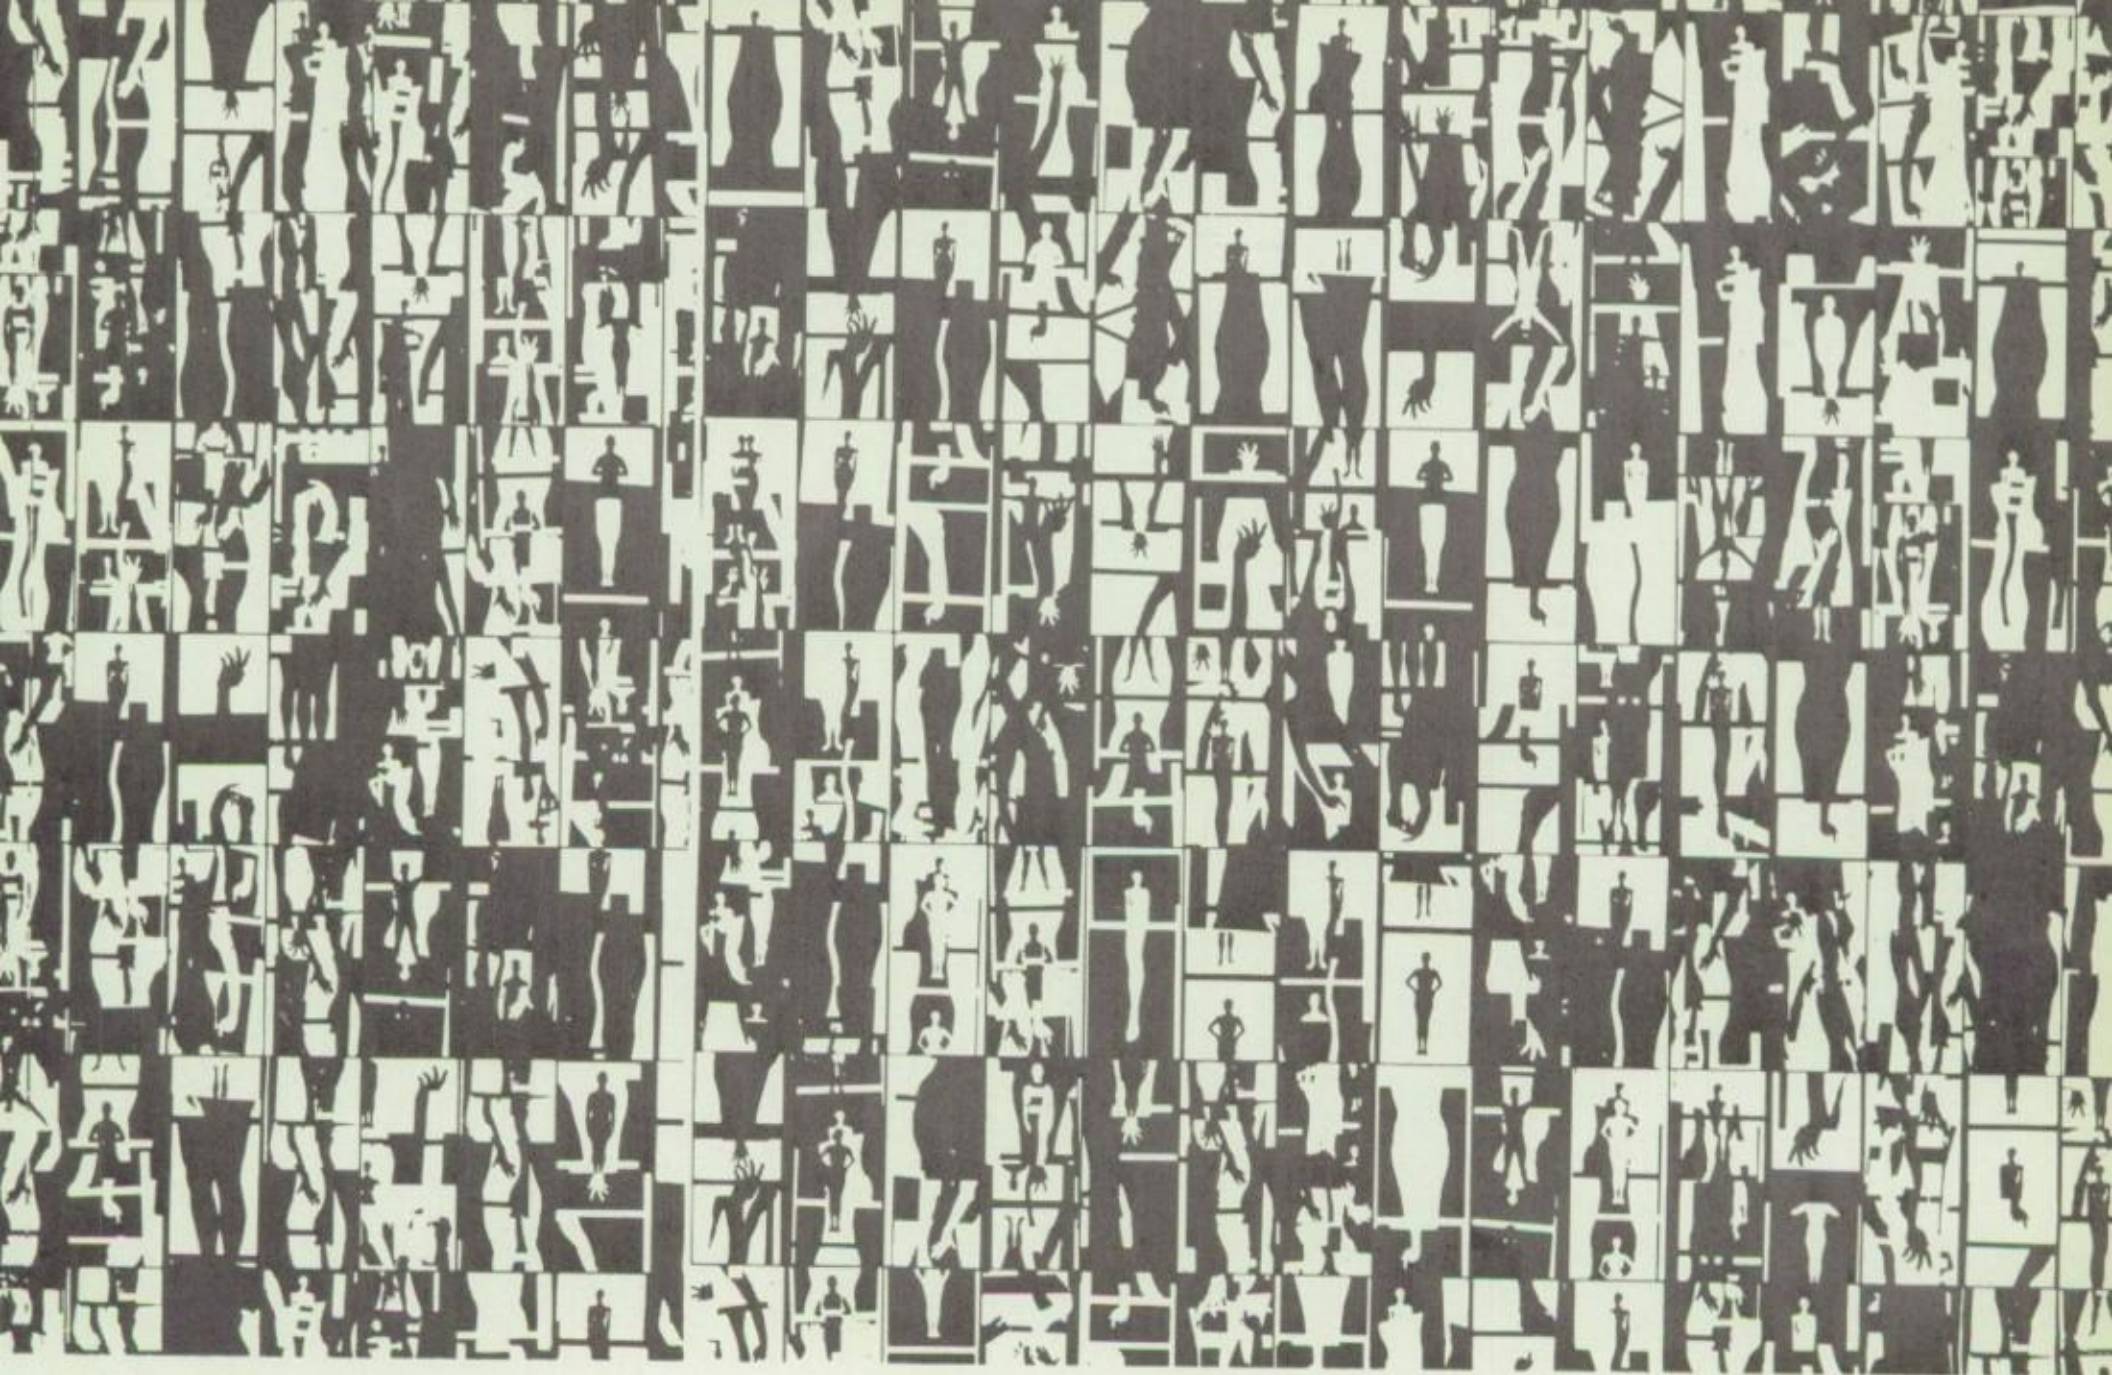

Gary Howell-I will my perfect attendance record to David Lawton; and my straight hair to Barry Robinson.

Roger Stephenson-I will my ability to be late for school everyday and get away with it to Jimmy Eaton; and my quiet, uneventful life to Zack Dial, who really doesn't need it.

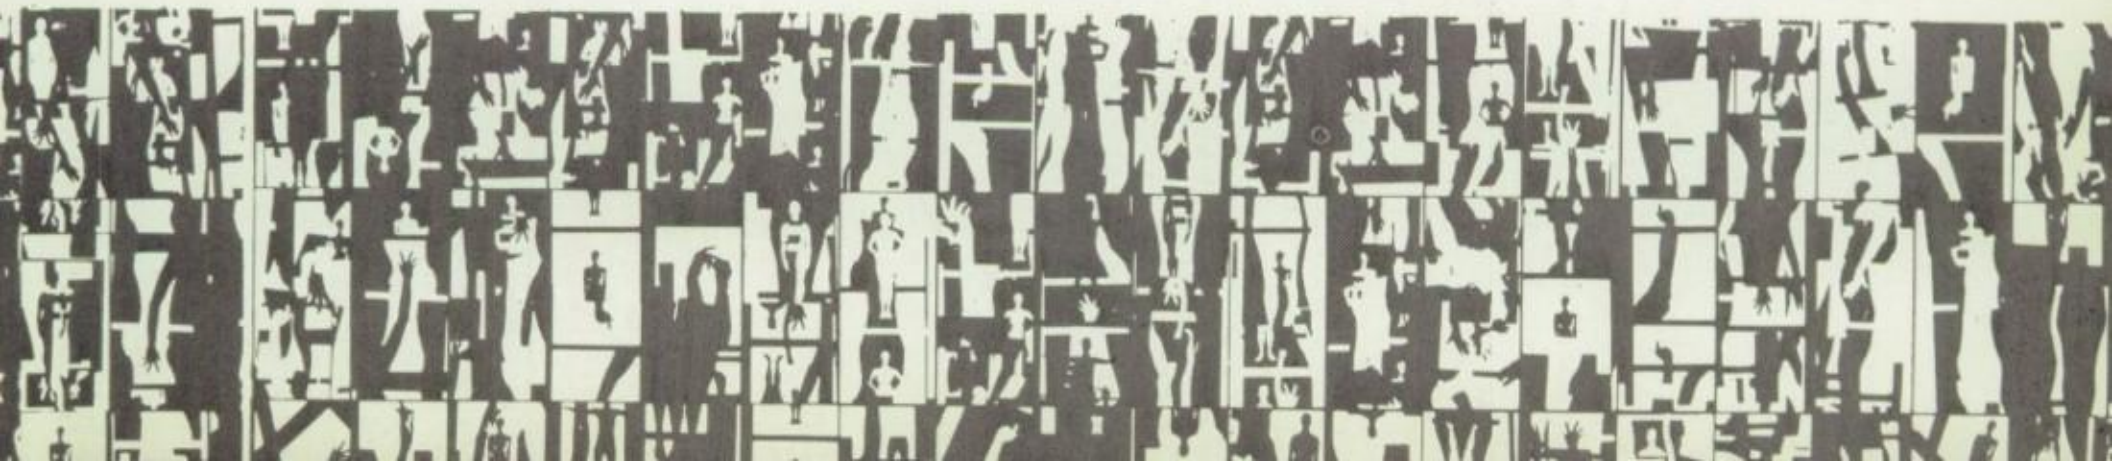

Virginia Terry-I will my ability to make straight "A's" for the semester to Val Chandler; my ability to stay out of trouble to Zack Dial, because he needs it; my nervousness to Pat Speer, because nothing ever seems to upset her; and my courage and ability to stick to what I believe in and not let other people change my life to Joy Gibson.

Thirteen of the loveliest girls of C.C.S. presented an evening entitled "Babes in Toyland" a pageant at which Miss C.C.S. was crowned and four runners-up were announced.

At an afternoon tea, the girls had been interviewed by the judges, and such qualities as poise, grace, thoughtfulness, and friendliness were noted. We are proud of our beauties!

OUR SCHOOL PATRONS

"A friend may well be reckoned the masterpiece of nature," said Ralph Waldo Emerson. Our friends of the school not only are masterpiece — they create them! Mr. Horace C. Shaw, pictured at right, at age 83 put new putty around nearly all of the windows of the school. Mrs. Curley Harrington, the owner of ERNESTINE'S FASHIONETTE, dresses our girls and their mothers, MRS. MATTIE BRYANT teaches us, and RANDY GLENN is one of us. BEN MEANS and C.S. SARTOR are interested citizens of our town. We are grateful to our patrons.
